

Hello gorgeous!
This classic design gives you storybook curb appeal with a wraparound porch and decorative wood details.

HOUSE OF THE WEEK

Classic Victorian style plan

The family room sits next to the kitchen for easy flow in this Victorian design.

A flexible study on the main floor of this 4-bedroom plan gives you a dedicated place to work from home. When it's time to relax, sink into the tub in the private master bathroom (located on the second level). A fireplace in the family room invites you to cuddle up when the weather gets cold. Share a meal in the formal dining room on special occasions. A craft room on the second level can be used in a variety of ways.
